COUNSELLING HELPLINE

During this phase of Corona virus, all of us have to remain isolated from society, friends and social gatherings in order to remain safe. The lockdown announced by our PM is for our safety only. I appeal to all the students to follow the instructions of government as responsible citizens of Nation. During this time your teachers have been taking online classes and uploading the study material on website. Hope you are studying at home and enjoying with family. Prepare your assignments and do well in your studies. Keep in touch with your teachers online.

Due to social distancing if any student has any psychological or emotional issue, Motilal Nehru college (Evening) has re-organized its counselling infrastructure to reach out to students and faculty to help them tide through this crises.
