NOTICE

It has been noticed that some of our students are sharing information regarding holding their Departmental Programmes / Events in a near future through whatsapp group, Facebook, etc. without seeking any prior approval from the competent authority of the College. Such students are openly using the College Logo in their notices, banners pamphlets etc. without informing and seeking permission of the College, which is clearly a case of gross indiscipline and also constitutes an offence/crime under the IT Act.

Such students are, therefore, advised not to indulge in such activities, otherwise a strict disciplinary action will be taken against them.
