MOTILAL NEHRU COLLEGE (Evening)
(UNIVERSITY OF DELHI)

Benito Juarez Road, New Delhi-110021

REF. NO.MLN/EVE/2020-21/

Dated:-06-01-2021

NOTICE

It has been observed and also received many complaints from the teachers as well as from the students that many students are disturbing the Online Classes by making abuses to the students as well as the teachers. The college administration has taken a serious view of it.

It is notified for the information of all the students (particularly Ist year students) that they should not disclose their login password to anyone and those students, who have not joined Online Classes so far, are advised in their own interest to immediately join the Online Classes as there is an apprehension that some other person may login Online Classes by using the first time password available for each student on the college website. Those students, who have already logged in for joining Online Classes, are required not to disclose the changed password to anyone.

If any student (and anyone else also who is not a student) is found indulging in such activities as mentioned above, the college administration shall take strict actions as per the Cyber Crimes under the IPS and IT Act.
