DO No. 20/9/2nd DYP/2022/
LAS-VII/Leg./1633
Dated 09-12-2022

Respected Madam/Sir,

Greetings from Delhi Legislative Assembly.

You might recall that Delhi Legislative Assembly organized the First Delhi Youth Parliament (DYP) in the year 2019 from 6th to 8th November. I believe that this event was a remarkable opportunity for students to experience various aspects of functioning of parliamentary democracy. It also provided a platform for the young minds to establish links with like-minded peers and build a better comprehension of the doctrines and functionality of democracy and role of legislature. It was a great pleasure to witness the accomplished participation by the youth and display of their knowledge of various issues in the Youth Parliament.

Encouraged by the appreciation by one and all for the First DYP, I am writing to invite students at your esteemed College to participate in Second Delhi Youth Parliament, 2023 with the theme topics: (a) Role of Education and Health in National Development and (b) Constitution and Democratic Values, from 23rd to 25th January, 2023 at the premises of Delhi Legislative Assembly, Old Secretariat, Delhi-110054.

The main objective of the Second DYP, 2023 is to create awareness among the young electorate of Delhi and apprise them of the modern-day challenges in the working of Legislature and also to seek solutions from the youth.

Accordingly, I request you to send across the names of 02 (two) deserving students from your Institution, whom you deem fit for the Youth Parliament, by filling up the Participation Form.

with regards,

Yours Sincerely,

(Raj Kumar)

STATEMENT OF PURPOSE (SOP)

1. The future of a country is shaped in its classrooms. Education plays a pivotal role in developing a country in every aspect; be it social, cultural and moral development. Hence Education is a significant sector in any nation, being a major investment in the human capital development. Undoubtedly, the quality of a nation's education and subsequent literacy determines the level of its national development.

Health is also a key indicator of a Nation's progress. A healthy population is a key factor in national development since healthy people contribute to a strong local economy which in turn contributes to a healthy society. A Nation with a healthy population is more likely to experience sustained social and economic growth.

2. Every Constitution, especially the Indian Constitution has certain values which make it really a unique Constitution. Constitution has many important values, which are based on the first and the most prominent value: democratic value. Democratic values play an important role in reducing stratification and marginalization because it enables the political inclusion of all segments of society without any discrimination based on caste, creed, religion, gender, class etc.

Briefly give your views on

(i) Role of Education and Health in National Development

OR

(ii) Constitution and Democratic Values.

SOP should not exceed 250 words. It should be either in Hindi or English.
