Subject: University of Delhi CGS Samiksha 2023 – Karnataka Assembly Election Survey: Seeking Logistic Support

To:

Dear Sir/Madam:

Greetings from the *CGS Parivar* of University of Delhi!

We are happy to inform you that the **Centre for Global Studies [CGS], University of Delhi** is conducting an election survey study of the State of Karnataka, the 10th survey under its *Samiksha* series since 2017.

In view of the assembly election in Karnataka to be held on 10 May 2023, the Centre is proposing to study all 31 districts and 224 constituencies of the State. **The election study will be undertaken in an online mode during 1-8 May 2023** with the help of Undergraduate and Post-Graduate students of the Universities and Colleges who will be getting first-hand information about the changing nature of electoral behavior and its democratic implications for the government and governance in the State.

The Centre seeks logistic assistance from your College, particularly from the **students of Political Science stream**, in terms of collaboration to facilitate election surveys of the poll-bound State. On earlier occasions too, the students of your College have participated in various events, including election surveys, organized by our Centre from time to time. All participating students will be given certificates of appreciation by the Centre.

We look forward to your kind consideration, cooperation and confirmation,

Warmly,
Sunil

Sunil K Choudhary
