Dear Prof. Singh.

File No. TDB-110NA/6/2022-Admin
Dated: 08.05.2023

As you are aware that Govt. of India has declared Eleventh (11th) May as "National Technology Day" in year 1999. It has been decided to celebrate this year's National Technology Day as National Technology Week from 11th May- 14th May, to show case scientific achievements of technology breakthroughs since 2014, commemorating 25th year of National Technology Day.

The Event will be inaugurated by Hon'ble Prime Minister on 11th May, 2023.

The theme of this event is "School to Start – Up – Igniting young minds to Innovate", wherein students from schools across India engaged with Atal Tinkering Labs (under Atal Innovation Mission of the Government of India), will be participating and showcasing technological innovation in Hall no. 4 of Pragati Maidan. Further, participants/exhibitors from 12 Ministries/Departments of Government of India, namely, Department of Science and Technology, Department of Biotechnology, Department of Telecom, Department of Atomic Energy, Department of Scientific and Industrial Research, Ministry of Earth Sciences, Ministry of Defence, Ministry of Electronics and Information Technology, Ministry of education, Department of Promotion of Industry and Internal Trade, Department of Space/Indian Space Research Organisation will also be showcasing wide range of scientific innovations in Hall no. 4 and 5A of Pragati Maidan. This event would be very enriching and inspirational for the students. The exhibition will be open for general public and students from 3 PM of 11th May 2023 till 5 PM of 13th May, 2023.

We shall appreciate and look forward for your support to spread the reach of this event and enable participation of students from schools/colleges affiliated to your board/university.

Therefore, it is requested to circulate information of this event with schools/colleges for a wider participation during the entire duration of the event.

With kin regards

Your Faithfully

(Rajesh Kumar Pathak)

To,
